MAIL or FAX your signed form and invoice to:
VANTAGE Cattle Performance Program, Intervet/Schering-Plough Animal Health
16750 route Transcanadienne, Kirkland, QC H9H 4M7
Fax: 514.695.7115

For more information, please contact your veterinarian or your Intervet/Schering-Plough Animal Health representative.

To qualify for the VANTAGE Producer List, cows must be vaccinated with Vista® and calves must be vaccinated with Vista® Once+Vision® Somnus. To be included in *Canadian Cattlemen*, signed registration forms and invoices must be postmarked no later than June 30th, 2009. BVD-testing, if and when applicable, will be conducted by an independent laboratory. Intervet Canada Corp. does not in any way validate, verify or endorse the testing methodology and testing results, and shall assume no liability in connection thereof.
